

It's Impossible

Johnny Mathis

It's Impossible, it's Impossible
Tell the sun to live the sky
It's just impossible, it's Impossible
Ask a baby not to cry, it's just impossible
Can I hold you close so to me
And not feel you going through me?
Split a second without never think of you
Are all impossible
Can the ocean keep from rushing to the shore
It's just impossible
If I had you couldn't I ever want for more?
It's just impossible
And tomorrow, should you ask me for the world
Somehow I'll get it
I will sell my very soul and not regret
'Cause to live without your love it's just impossible
Impossible, impossible, impossible
