Johnny One Note

Johnny Mathis

Johnny could only sing one note And the note he sings was this, ah

Poor Johnny, one note Sang out with, "Gusto" And just overlorded the place

Poor Johnny, one note Yelled willy nilly Until he was blue in the face

For holding one note was his ace Couldn't hear the brass Couldn't hear the drum He was in a class by himself, by gum

Poor Johnny, one note Got in Aida Indeed a great chance to be brave

He took his one note Howled like the North Wind Brought forth wind that made critics rave While Verdi turned 'round in his grave

Couldn't hear the flute Or the big trombone Ev'ry one was mute Johnny stood alone

Cats and dogs stopped yapping Lions in the zoo, all were jealous of Johnny's big trill Thunder claps stopped clapping Traffic ceased its roar

And they tell us Niag'ra stood still He stopped the train whistles Boat whistles, steam whistles, cop whistles All whistles bowed to his skill

Sing Johnny one note Sing out with, "Gusto" And just overwhelm all the crowd Ah

So sing Johnny, one note, out loud Sing Johnny, one note Sing Johnny, one note out loud
