

# Just Move Along, Meadow Lark

Johnny Mathis

Go ahead as you waste your days with thinking  
When you fall everyone sins  
Another day and you've had your fill of sinking  
With the life held in your

Hands are shaking cold  
These hands are meant to hold

Speak to me  
When all you gotta keep is strong  
Move along, move along like I know ya do  
And even when your hope is gone  
Move along, move along just to make it through  
Move along  
Move along

So a day when you've lost yourself completely  
Could be a night when your life ends  
Such a heart that will lead you to deceiving  
All the pain held in your

Hands are shaking cold  
Your hands are mine to hold

Speak to me  
When all you got to keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through  
Move along (go on, go on, go on, go on)

When everything is wrong  
We move along (go on, go on, go on, go on)  
When everything is wrong  
we move along (along)  
Along (along)  
Along (along)  
Along

When all you gotta keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through

When all you got to keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through (just to make it through)

When all you got to keep is strong  
Move along, move along like I know you do (I know you do)  
And even when your hope is gone  
Move along, move along just to make it through  
Move along (go on, go on, go on, go on)

Right back what is wrong  
We move along (go on, go on, go on, go on)

Right back what is wrong  
We move along (go on, go on, go on, go on)  
Right back what is wrong  
We move along (go on, go on, go on, go on)  
Right back what is wrong  
We move along
