

Let Me Love You

Johnny Mathis

Baby I just don't get it
Do you enjoy being hurt?
I know you smelled the perfume, the make-up on his shirt
You don't believe his stories
You know that they're all lies
Bad as you are, you stick around and I just don't know why

If I was ya man (baby you)
Never worry about (what I do)
I'd be coming home (back to you)
Every night, doin' you right
You're the type of woman (deserves good things)
Fist full of diamonds (hand full of rings)
Baby you're a star (I just want to show you, you are)

You should let me love you
Let me be the one to give you everything you want and need
Baby good love and protection
Make me your selection
Show you the way love's supposed to be
Baby you should let me love you, love you, love you, love you yeah

Listen
Your true beauty's description looks so good that it hurts
You're a dime plus ninety-nine and it's a shame
Don't even know what you're worth
Everywhere you go they stop and stare
Cause you're bad and it shows
From your head to your toes, Out of control, baby you know

If I was ya man (baby you)
Never worry bout (what I do)
I'd be coming home (back to you)
Every night doin' you right
You're the type of woman (deserves good things)
Fist full of diamonds (hand full of rings)
Baby you're a star (I just want to show you, you are)

You should let me love you
Let me be the one to give you everything you want and need
Oh Baby good love and protection
Make me your selection
Show you the way love's supposed to be
Baby you should let me...

You deserve better girl (you know you deserve better)
We should be together girl (baby)
With me and you it's whatever girl, hey!
So can we make this thing ours?

You should let me love you
Let me be the one to give you everything you want and need
Baby good love and protection
Make me your selection
Show you the way love's supposed to be
Baby you should let me love you, let me love you, give me show love you

Let me love you that's all you need baby
