

# Magic Garden

Johnny Mathis

There is a garden  
Something like the shadow of a butterfly  
And lies beyond the gates of dark and light  
And, darling, it belongs to me

When you go there  
There will be such laughter in the dimpled sky  
The songs you sing will drive away the night  
The magic garden has a way of making you feel free

It's the place I've made for you  
From match-boxes and cards and dominoes  
And it won't fall down

And when your dreaming vanishes  
Like snowflakes in the summer sky  
Melts away in darkness

And you don't know why the magic garden  
Waits without the gates wide open  
And, darling, I'll be standin' just inside

And when your dreaming vanishes  
Like snowflakes in the summer sky  
Melts away in darkness

And you don't know why the magic garden  
Waits without the gates wide open  
And, darling, I'll be standin' just inside

It's so soft and warm  
Behind those hedges  
No hard edges, no hard edges

There is a garden  
Vanishes like snowflakes in the summer sky  
Melts away in darkness

And you don't know why the magic garden  
Waits without the gates wide open  
And, darling, I'll be standin' just inside
