

# Oh That Feeling

Johnny Mathis

Oh, I'm gettin' that feelin'  
Come over here  
Where you belong.

Oh, you give that feelin'  
Now that you're near.  
It's comin' on strong.

It seems that I  
Fail to get by  
'Till I'm around you.

Then oh, look at me go  
Whenever my arms  
Surround you.

Oh, you're getting' that feelin'  
That wonderful feeling  
That I'm speaking of  
That beautiful feelin'  
Of fallin' in love.

It seems that I  
Fail to get by  
'Till I'm around you.

Then oh, look at me go  
Whenever my arms  
Surround you.

Oh, you're getting' that feelin'  
That wonderful feelin'  
That I'm speaking of  
That beautiful feelin'  
Of fallin'

Feelin' of fallin'  
Feelin' of fallin' in love.
