

# Rapture

Johnny Mathis

The night I laid my eyes on you  
Felt everything around me move  
Got nervous when you looked my way  
But you knew all the words to say

Then your love slowly moved right in  
All this time oh my love where've you been

Mi amore don't you know  
My love I want you so  
Sugar you make my soul complete  
Rapture tastes so sweet

I'm mesmerized in every way  
You keep me in a state of daze  
You're kisses make my skin feel weak  
I'm always melting in your heat

Then I soar like a bird in the wind  
Oh I glide as I'm flying through heaven

Mi amore don't you know  
My love I want you so  
Sugar you make my soul complete  
Rapture tastes so sweet

Since we connect behind closed doors  
Spark this fire even more  
No telling where we will be next  
Surrender to your rapture arrest  
Lay your head, let the slumber float  
Can't resist, that's why words were wrote

Mi amore don't you know  
My love I want you so  
Sugar you make my soul complete  
Rapture tastes so sweet
