Something's Coming

Johnny Mathis

Could be, who knows?
There's something due any day
I will know right away soon as it shows

It may come cannonballing down through the sky Gleam in its eye, bright as a rose Who knows?

It's only just out of reach Down the block, on a beach Under a tree

I got a feeling there's a miracle due Gonna come true Coming to me

Could it be? Yes, it could Some thing's coming, something good If I can wait

Some thing's coming don't know when But it's soon, catch the moon One handed catch

Around the corner Or whistling down the river Come on, deliver to me

Will it be? Yes, it will Maybe just by holding still It'll be there

Come on something, come on in Don't be shy, meet a guy Pull up a chair

The air is humming
And something great is coming

Who knows?
It's only just out of reach
Down the block, on a beach

Maybe tonight, maybe Maybe, maybe tonight
