

# Stars Fell on Alabama

Johnny Mathis

Moonlight and magnolia, starlight in your hair  
All the world a dream come true  
Did it really happen, was I really there, was I really there with you?

We lived our little drama, we kissed in a field of white  
And stars fell on Alabama last night  
I can't forget the glamor, your eyes held a tender light  
And stars fell on Alabama last night  
I never planned in my imagination a situation so heavenly  
A fairy land where no one else could enter  
And in the center just you and me, dear  
My heart beat like a hammer, my arms wound around you tight  
And stars fell on Alabama last night

We lived our little drama, we kissed in a field of white  
And stars fell on Alabama last night  
I can't forget the glamor, your eyes held a tender light  
And stars fell on Alabama last night  
I never planned in my imagination a situation so heavenly  
A fairy land where no one else could enter  
And in the center just you and me, dear  
My heart beat like a hammer, my arms wound around you tight
