

# Strangers In The Night

Johnny Mathis

Strangers in the night  
Exchanging glances  
Wondering in the night  
What were the chances  
Weep sharing love before the night  
Was true  
Something in your eyes  
Was so inviting  
Something in your smile  
Was so exciting  
Something in my heart told me  
I must have you  
Strangers in the night  
Two lonely people  
We were strangers in the night  
Up to the moment when we said  
Our first hello  
Little bit we know  
Love was just a glance away  
A woman gracing dance away  
And ever since that night  
We've been together  
Love at first sight  
In love for ever  
It turned out so right  
For strangers in the night
