

Strangers In The Night

Johnny Mathis

Strangers in the night
Exchanging glances
Wondering in the night
What were the chances
Weep sharing love before the night
Was true
Something in your eyes
Was so inviting
Something in your smile
Was so exciting
Something in my heart told me
I must have you
Strangers in the night
Two lonely people
We were strangers in the night
Up to the moment when we said
Our first hello
Little bit we know
Love was just a glance away
A woman gracing dance away
And ever since that night
We've been together
Love at first sight
In love for ever
It turned out so right
For strangers in the night
