

# Symphony

Johnny Mathis

Symphony  
She's only known as symphony  
Melody  
Yeah  
Crept Crept into the soul of me  
Symphony yeah  
She's sort of like a song  
She moves along  
In perfect rhyme  
Oh la la  
Right now feel perfect time baby  
You and me to slip away slip away  
Let our song begin to play  
Yeah baby

Make me the one darlin'  
Only one who know the bliss  
Of knowin' when to kiss  
All the love of  
Symphony Symphony

Like violins music begins  
It starts to swell  
Then I can tell  
That pretty soon  
We gonna be in tune  
Our hearts will be  
In perfect harmony

Symphony  
Got my heart hit like a tender beat  
Boom Boom  
When you want me send for me  
Cha cha  
And I'll come and love you tenderly  
Hey Oh Oh Oh  
I'll do the things girl  
Oh makin' you feel  
That my love is for real  
For You  
Symphony Symphony  
Oh Oh Oh Oh  
Do the thing makes you feel  
That I love you Darlin'  
OH Oh Oh Oh Oh
