

That's The Way It Is

Johnny Mathis

(The time)
It could be midnight
(The place)
Most anywhere
(The scene)
What does it matter
If the one that you love isn't there
(Isn't there)

That's the way it is...
When your heart's been broken in two
Yes, that's the way it is
And there's nothing that you can do

That's the way it is...
Knowing that she'll never come back to me
Yes, that's the way it is
And that's the way it's going to be

That's the way it is
Knowing that she'll, she'll never come back to me
Yes that's the way it is
And that's the way it's going to be

(The time)
It could be midnight
Midnight...
(Ooh...)
