

# The Best Days of My Life

Johnny Mathis

Here we are once again  
Just the same as we were then  
In those carefree days  
We were never apart

What a shame It's so sad  
That our timing was so bad  
That while I played at love  
You offered your heart

Looking back I can see  
Just how right you were for me  
And what a fool I was to let you go

Here we are the same as then  
Could we try it once again  
Cause now at last I've come to realize  
That from the day you walked in  
To the day you walked out  
Those were the best days  
Of my life

That from the day you walked in  
To the day you walked out  
Those were the best days  
The very best days  
Of my life
