## **Johnny Mathis**

Out of the tree of life I just picked me a plum You came along and everything's startin' to hum Still, it's a real good bet, the best is yet to come Best is yet to come and babe, won't that be fine? You think you've seen the sun, but you ain't seen it shine Wait till the warm-up's underway Wait till our lips have met And wait till you see that sunshine day You ain't seen nothin' yet The best is yet to come and babe, won't it be fine? Best is yet to come, come the day you're mine Come the day you're mine I'm gonna teach you to fly We've only tasted the wine We're gonna drain the cup dry Wait till your charms are right for these arms to surround You think you've flown before, but baby, you ain't left the gro und Wait till you're locked in my embrace Wait till I draw you near Wait till you see that sunshine place Ain't nothin' like it here The best is yet to come and babe, won't it be fine? The best is yet to come, come the day you're mine Come the day you're mine And you're gonna be mine
