

# The Music That Makes Me Dance

Johnny Mathis

I know you're around  
When the sky and the ground start in ringing  
I know you're around  
By the thunder I hear in advance

Your words and your words alone  
Are the words that start my heart singing  
And yours is the only music that makes me dance

You'll sleep and you'll rise  
In the light of two eyes that adore you  
Bore you it might  
But you won't leave my sight for a glance

In every way, everyday, I need less of myself  
And need more you, more you  
Yours is the only music that makes me dance

In every way, everyday, I need less of myself  
And need more you, more you  
Yours is the only music that makes me dance
