

The Music That Makes Me Dance

Johnny Mathis

I know you're around
When the sky and the ground start in ringing
I know you're around
By the thunder I hear in advance

Your words and your words alone
Are the words that start my heart singing
And yours is the only music that makes me dance

You'll sleep and you'll rise
In the light of two eyes that adore you
Bore you it might
But you won't leave my sight for a glance

In every way, everyday, I need less of myself
And need more you, more you
Yours is the only music that makes me dance

In every way, everyday, I need less of myself
And need more you, more you
Yours is the only music that makes me dance
