## The Shadow of Your Smile

## **Johnny Mathis**

The shadow of your smile When you have gone Will color all my dreams And light the dawn

Look into my eyes, my love, and see All the lovely things, yo are, to me

Our wistful little star
It was far, too high
A teardrop kissed your lips
And so did I

Now when I remember spring
All the joys that love can bring
I will be remembering
The shadow of your smile
