

## The Summer Knows

Johnny Mathis

The summer smiles  
The summer knows  
And unashamed she sheds her clothes  
The summer soothes the restless sky  
And lovingly she warms the sand  
On which you lie  
The summer knows  
The summer's wise  
She sees the doubts within your eyes  
And so she takes her summer time  
Tells the moon to wait  
And the sun to linger  
Twists the world round her summer finger  
Lets you see the wonder of it all  
And if you've learned your lesson well  
There's little more for her to tell  
One last caress, it's time to dress for fall

And if you've learned your lesson well  
There's little more for her to tell  
One last caress, it's time to dress for fall
