

Theme from Carnival!

Johnny Mathis

(Yea, Yea and a Yea, Yeah!) Yes!

There's been a lot of talk about the game of love,
It's what everybody, everywhere, is thinking of!
The love bug's busy as he can be,
And I gotta a funny feeling that he just bit me!

'Cause love makes the world go 'round and around.
Love makes the world go 'round!
Your pulse will beat and your heart will pound,
'Cause love makes the world go 'round!

I met a little guy about four feet small,
Who fell in love with Annie who was eight feet tall!
Every time I see 'em comin' down the street,
I know true love just can't be beat!

'Cause love makes the world go 'round and around.
Love makes the world go 'round!
Your pulse will beat and your heart will pound,
'Cause love makes the world go 'round!

A goose got loose at the county fair,
They looked high and low but she wasn't there!
Up jumped a gander who said leave her alone,
When she misses old Dad, she'll come back home!
'Cause love makes the world go 'round... (and 'round and 'round
!)

No matter what you do or where you go,
You get kinda lonely when the lights are low!
Everybody's gotta have a love that's true,
And I just gotta have you, you, you!

'Cause love makes the world go 'round and around.
Love makes the world go 'round!
Your pulse will beat and your heart will pound,
'Cause love makes the world go...
Love makes the world go...
Love! Makes the world go round!
Yea, Yea and a Yea, Yeah!
