There's a Kind of Hush

Johnny Mathis

There's a kind of hush
All over the world tonight
All over the world you can hear
The sounds of lovers in love

Just the two of us and nobody else in sight There's nobody else And I'm feeling good, just holding you tight

So listen very carefully, get closer now And you will see what I mean

The only sound that you will hear Is when I whisper in your ear I love you forever and ever

There's a kind of hush
All over the world tonight
All over the world you can hear
The sounds of lovers in love

There's a kind of hush
All over the world tonight
All over the world you can hear
The sounds of lovers in love

There's a kind of hush There's a kind of hush All over the world
