

Touching Me With Love

Johnny Mathis

Why don't you let it surround you
This wonderful feeling that's found you
Enjoy the sensation while you can

Don't you feel it glowing?
You must know it's showing
Love is something no one ever plans

So don't fight this feeling inside you
Just go with your passions, they'll guide you
Don't be afraid of what you feel
You don't have to hide it
So don't be afraid of what you feel

Love is something no one ever plans
Love is something no one understands
So just reach out and let it be
It's so good to feel you touching me with love

You don't have to hide it
So don't be afraid of what you feel

Love is something no one ever plans
Love is something no one understands
So just reach out and let it be
It's so good to feel you touching me with love
With love, with love
