

Unaccustomed as I Am

Johnny Mathis

Unaccustomed as I am
To giving my heart away
I'm giving my heart away
Forever to you

Unaccustomed as I am
I'm seeing a dream come true
Just being in love with you
Unaccustomed as I am

I never dreamed in all my wildest flights of fancy
A girl like you so wonderful to caress

And I'm sure that you can see
What your kisses do to me
Unaccustomed as I am
To such happiness

A girl like you is wonderful to caress

And I'm sure that you can see
What your kisses do to me
Unaccustomed as I am
To such happiness
