We Need a Little Christmas

Johnny Mathis

Haul out the holly
Put up the tree before my spirit falls again
Fill up the stocking
I may be rushing things but deck the halls again now

For we need a little Christmas right this very minute Candles in the window, carols at the spinet Yes, we need a little Christmas right this very minute Hasn't snowed a single flurry, but Santa dear we're in a hurry

Climb down the chimney
Turn on the brightest string of lights I've ever seen
Slice up the fruit cake
It's time we've hung some tinsel on the evergreen bough

For I've grown a little leaner, grown a little colder Grown a little sadder, grown a little older And I need a little angel sitting on my shoulder Need a little Christmas now

For we need a little music, need a little laughter Need a little singing ringing through the rafter And we need a little snappy, happy ever after Need a little Christmas now
