

When I Fall in Love

Johnny Mathis

When I fall in love it will be forever
Or I'll never fall in love
In a restless world like this is
Love is ended before its begun
And too many moonlight kisses
Seem to cool in the warmth of the sun

When I give my heart it will be completely
Or I'll never give my heart
And the moment I can feel that you feel that way too
Is when I fall in love with you.

In a restless world like this is
Love is ended before its begun
And too many moonlight kisses
Seem to cool in the warmth of the sun

When I give my heart it will be completely
Or I'll never ever give my heart
And the moment I can feel that you feel that way too
Is when I fall in love
Is when I fall in love
Is when I fall in love with you.
