

# Tears On My Pillow

Johnny Nash

I can't take it  
I'm so lonely  
Gee I need you so

I can't take it  
Oh I wonder  
Why you had to go

But Baby, Every night I wake up crying  
Tears on my pillow  
An pain in my heart  
You on my mind

I remember all the good times  
That we had before  
Oh I remember an now my heart  
My very soul cry's out for more

But baby, all your love for me is dying  
Tears on my pillow  
Pain in my heart  
You on my mind

I'll always remember that day  
You promised to love me  
You said you'd love me to the very end  
And I'll never forget  
I'll never forget when you walked away from me  
You walked out of my life to my very best friend  
Oh

Oh baby, every night I wake up crying  
Tears on my pillow  
Pain in my heart  
You on my mind

Yeah  
Tears on my pillow  
Pain in my heart  
You on my mind

I got tears on my pillow  
Pain in my heart  
You on my mind

I got tears on my pillow  
Pain in my heart  
An you on my mind
