

## Keep On Lovin' Me

Johnny Paycheck

When she needs someone to love her in the night  
She calls on me and I'm right there  
When she wants to be a woman a lover and a friend  
She calls on me and I'm right there

There's ain't nothing in this world that she won't do  
'Cause she gives the best of all she's got the way I want her to  
Lord and I say keep on lovin' me babe and I'll keep on lovin' you  
Just keep on lovin' me babe and I'll keep on lovin' you

That's all we need that's all we need  
When she wants that feeling that's waitin' in my arms  
She calls on me and I'm right there  
Her door is always open and sweet love shines the way  
When she calls on me and I'm right there  
There's ain't nothing in this world...
