Loving You Beats All I've Ever Seen

Johnny Paycheck

```
Loving you, beats all, I've ever seen
I've been to Niagara Falls and it's beauty took my breath
I've watched the Matadors fight the bulls and stand so close to
 death
I've climbed the Rocky Mountains and dined with Kings and Queen
s

But loving you, beats all, I've ever seen

Loving you is something special to me
And with out you I can't help wondering what my life would be

I've watched LA light up at night and walked the great white wa
y
I've stood on sandy beaches and watched the dawning of a day
I've done most everything that are only in another mens dreams

But loving you, beats all, I've ever seen
Loving you, beats all, I've ever seen
