

Something

Johnny Paycheck

Something in the way she moves me attracts me like no other lover

Something in the way she woos me

I don't want to leave her now you know I believe and how

Somewhere in her smile she knows that I don't need no other lover

Something in her style that shows me

I don't want to leave her now you know I believe and how

You're asking me will my love grow I don't know I don't know

You stick around now it may show I don't know I don't know

Something in the way she knows and all I have to do is think of her

Something in the things he shows me

I don't want to leave her now you know I believe and how
