Something

Johnny Paycheck

Something in the way she moves me attracts me like no other lov er

Something in the way she woos me

I don't want to leave her now you know I believe and how Somewhere in her smile she knows that I don't need no other lov er

Something in her style that shows me
I don't want to leave her now you know I believe and how
You're asking me will my love grow I don't know I don't know
You stick around now it may show I don't know I don't know

Something in the way she knows and all I have to do is think of her

Something in the things he shows me I don't want to leave her now you know I believe and how
