

A Hole In The Ground

Johnny Rivers

Way down, way down, way down, way down, way down.

There's a hole in the ground, way down, down, down.
There's a hole in the ground, way down, down, down.
There's a hole in the ground, way down, down, down.
There's a deep dark hole in the ground.

Where does it go, way down, down, down.
Where does it go, way down, down, down.
Where does it go, way down, down, down.
The deep dark hole in the ground.

Oh, I took my pick and shovel,
And I dug for all I'm worth,
Now if I keep dig, dig, digging,
Reach the other side of the earth.

So, if you don't love me way down, down, down.
If you don't love me way down, down, down.
So, if you don't love me way down, down, down.
I'm going to jump in the hole in the ground. In the ground..

There's a hole in the ground way down, down, down.
There's a hole in the ground way down, down, down.
There's a hole in the ground way down, down, down.
There's a deep dark hole in the ground.

Oh, I took my pick and shovel,
And I dug for all I'm worth.
If I keep on digging,
Reach the other side of the earth.

So, if you don't love me way down, down, down.
If you don't love me way down, down, down.
So, if you don't love me way down, down, down.
I'm going to jump in the hole in the ground.
I'm going to jump in the hole in the ground.

If you don't love me way down, way down, way down.

Way down, way down.
Way down.
