

Baby Come Back

Johnny Rivers

I don't need a lot of money
Or fame and wealth it's true
All I need's a lot of lovin'
All I need is you

Well baby can't you see?
Baby baby please come back to me

You know I'm waiting for you
My heart's all aglow
You know how long your true love's
Been in love I know

So baby hear my plea
Baby baby please come back to me

Well you know I'd be so happy
If you'd come back home
Squeeze me tight with all your might
And say you'll be my own
If you come back to me
You'll make me feel so grand
And I'll be right there to squeeze you tight
And hold your little hand

Well baby can't you see?
Baby baby please come back to me

Well you know I'd be so happy
If you'd come back home
Squeeze me tight with all your might
And say you'll be my own
If you come back to me
You'll make me feel so grand
And I'll be right there to squeeze you tight
And hold your little hand

Well baby can't you see?
Baby baby please come back to me

Now baby hear my plea
Baby baby please come back to me
