

# Cast Your Fate To The Wind

Johnny Rivers

A month of nights, a year of days  
Octobers drifting into Mays  
I set my sail when the tide comes in  
And I just cast my fate to the wind.

I shift my course along the breeze  
Won't sail up wind on memories  
The empty sky is my best friend  
And I just cast my fate to the wind

That time has a way of changing  
a man throughout the years  
And now I'm rearranging  
my life through all my tears  
Alone, alone, alone

There never was, there couldn't be  
A place in time for men like me  
Who'd drink the dark and laugh at day  
And let their wildest dreams blow away

That time has a way of changing  
a man throughout the years  
And now I'm rearranging  
my life through all my tears  
Alone, alone, alone

So now I'm old, I'm wise, I'm smart  
I'm just a man with half a heart  
I wonder how it might have been  
Had I not cast my fate to the wind  
To the wind, to the wind.
