

Everyday

Johnny Rivers

Since the day you told me
You'd go steady with me
Every day's been a good good day for me
Oh yeah

Each day seems much better
Than the one before
Believe me baby I'm as happy as I can be
Oh yeah

Everyday, everyday, everyday
I'm gonna hug ya
Everyday, everyday, everyday
I'm gonna squeeze ya
Every day I'm a gonna hold you tight
And I'm a gonna kiss you
Gonna make you glad you love me, everyday

Well baby, I had nobody
To tell my troubles to
I was all alone, and didn't know what to do
Oh yeah

Then I met an angel
Just as pretty as she could be
Since then every day's been a good good day for me
Oh babe

Oh yeah

The days before I met you
Seem like endless years
Every day was filled with loneliness and tears
Now the days are bright
And pass too quick for me
You've made me happy, happy as I can be
Oh yeah

Everyday, everyday, everyday
I'm gonna hug ya
Everyday, everyday, everyday
I'm gonna squeeze ya
Every day I'm a gonna hold you tight
And I'm a gonna kiss you
Gonna make you glad you love me, everyday
Gonna make you glad you love me, everyday
