

## Fire And Rain

Johnny Rivers

Just yesterday morning they let me know you were gone  
Suzanne the plans they made put an end to you  
I walked out this mornin and I wrote down this song  
I just can't remember who to send it to

I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again

Wont you like down upon me Jesus  
You gotta help me make a stand  
You just got to see me through another day  
My bodys achinand my time is at hand  
I wont make it any other way

I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again

Been walkin my mind to an easy time  
My back turned towards the sun  
Lord knows when the cold wind blows it'll turn your head around  
Well there's hours of time on the telephone line to talk about  
things to come  
Sweet dreams and fine machines in pieces on the ground

Oh I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you baby, one more time again  
Thought I'd see you one more time again  
There's just a few things comin my way this time around  
Thought I'd see, thought I'd see you
