

Flying Away With You

Johnny Rivers

Last night I thought that I was dreaming
Reached across the bed and found you there
Guess that I'm not used to what I'm feeling
Oh theses feelings
Flying on the ground is just so rare

Living on my own but barely dealin'
Going it alone and getting nowhere
Nothing I had known could show much meaning
So little meaning, baby
You helped me see the love I had to share

I can feel you touching me
There's no where else that I would rather be
Than in your arms tonight...with you
Holding me tight
Flying away with you

Oh yeah...others spent the night
But it just wasn't right
(Just wasn't right)
Now you are lying here...feeling you so near
Takes my fear...
I just want to dance to anything you want me to...

I can feel you touching me
There's no where else that I would rather be
Than in your arms tonight...with you
Holding me tight
Flying away with you
