

## For You

Johnny Rivers

Sweet lovin' woman, hard livin' man  
Layin' it out the best that I can  
For you, for you  
Reachin' for stars flightin' the moon  
Findin' the words and learnin' the tune  
For you, for you

I've had some fancy shelter  
And I've been left out in the rain  
You're the only pleasure I've had for all my pain  
Cravin' some rest washed up at your door  
Wasted the best, but I'm askin' for more  
For you, for you

Burnin' so hard tryin' to shine  
Wishin' the water would turn into wine  
For you, for you

Even when I came down to the end  
I turned it around and started over again  
For you, I did it for you

I've had some fancy shelter  
And I've been left out in the rain  
You're the only pleasure I've had for all my pain  
Cravin' some rest washed up at your door  
Wasted the best, but I'm askin' for more  
For you, oh for you

Burnin' so hard tryin' to shine  
Wishin' the water would turn into wine  
For you, nobody but you

Even when I came down to the end  
I turned it around and started over again  
For you, for you, for you  
I did it for you.
