

Glory Train

Johnny Rivers

Train keep rolling, rolling on
Can you tell me when I'll be home?
It's been a long, long hard road
I got children
Now, keep rolling, keep on rolling now yeah
One day I'll ride the glory train
Listen for Jesus to call my name
This mountain's deep and river high
Keep on pushing till the other side
Train take me to freedom land
Lord the truth is in Jesus' hands
Keep rolling, keep on rolling now
One day I'll ride the glory train
I'll hear Jesus call my name, yeah

Glory train, ooh call my name
Glory train, ooh call my name, yeah

Keep rolling, keep on rolling now
One day I'll ride the glory train
Listen for Jesus to call my name
Glory train, now
Glory train, ooh call my name
Glory train, ooh call my name, yeah, yeah

Keep on rolling, now
Yeah, keep on rolling now
Glory train, yeah, yeah
Keep on pushing, now
