

# In The Midnight Hour

Johnny Rivers

I'm gonna wait 'til the midnight hour  
That's when my love comes tumbling down  
I'm gonna wait 'til the midnight hour  
When there's no one else around

I'm gonna take you girl and hold you  
and do all the things I told you  
in the midnight hour  
Oh lord, in the midnight hour

I'm gonna wait 'til the stars come out  
and I see the twinkle in your eyes  
I'm gonna wait 'til the midnight hour  
That's when my love begins to shine

You're the only girl I know  
Who really, really, really loves me so  
In the midnight hour  
Oh lord in the midnight hour.

Come on play it a while.....

Oh, I'm gonna wait 'til the stars come out  
and I see the twinkle in your eyes  
I'm gonna wait 'til the midnight hour  
That's when my love begins to shine

You're the only girl I know  
Who really loves me so  
I know it's got to be in the midnight hour  
Hey, hey in the midnight hour  
Oh lord, in the midnight hour

Well, hey, don't you know the night time is the right  
time baby.....  
Uh huh, in the midnight hour

I wanna do it  
I wanna do it  
I wanna do it  
in the midnight hour

I ain't knocking no matinee (my misunderstood line)

Well lord in the midnight hour

In the midnight hour, yea, alright!!!!
