

# It Wouldn't Happen With Me

Johnny Rivers

You say you could fall in love with Elvis  
You say you like to hear The Beatles sing  
Wait a minute, wait a minute pretty baby  
I wanna tell ya just one little thing.

Oh, well your love for Elvis Presley wouldn't last very, very long  
You'd get sick and tired of watching him wiggling passed your door  
It's true that The Beatles they can talk and walk  
you'd get sick and tired of hearing them talk that talk.

It wouldn't happen with me  
It wouldn't happen with me  
It wouldn't happen with me, oh no, not me, oh yeah.

Oh, you now say you can marry Ringo with his hair hanging his face  
Oh, but honey that will never happen, he couldn't find that wedding p  
lace.

It wouldn't happen with me  
It wouldn't happen with me  
It wouldn't happen with me, oh no, not me.

Oh yeah, it's true that you may get an autograph, yeah  
You might even get one of them to smile your way  
But remember when it comes down to marriage  
You'll never, never, never, never see that wedding day.

Now, the only thing you will ever be to Ricky is just a fan  
You'll never get to squeeze him, honey, 'cause he's a traveling man.

It wouldn't happen with me  
It wouldn't happen with me  
It wouldn't happen with me, oh no, not me.

Oh, oh, it's true that you may get an autograph  
You might even get one of them to smile your way  
But remember, when it comes down the marriage, marriage, marriage, ba  
by  
You'll never, never, never, never see that wedding day.

Oh, the only thing you'll ever be to Ricky is just a fan  
You'll never get to squeeze him, honey, 'cause he's a traveling man.

It wouldn't happen with me  
It wouldn't happen with me  
It wouldn't happen with me, oh no, not me.  
Not me, oh, not me, baby ...  
Oh not me, baby, it would not happen with me baby  
Yeah, yeah it wouldn't happen with me baby  
Hey, hey baby, it wouldn't happen with me.
