## **Johnny Rivers**

Life is like a mighty river Rolling on and on forever Growing as we go along Shallow deep minds became strong? Rolling on muddy river roll Your dirty water cannot taint your soul Rolling on, rolling on, till you are free In the peaceful sea Yeah, yeah, now - all right! When life has it uncertainty There's a place I like to be Waiting for the sun? Listening to a river song Rolling on muddy river roll Your dirty water cannot taint your soul Rolling on, rolling on, till you are free In the peaceful sea Oh, Rolling on muddy river roll Your dirty water cannot taint your soul Rolling on, rolling on, till you are free, free Rolling on muddy river roll Your dirty water cannot taint your soul Rolling on, rolling on, till you are free, free Yeah, now Rolling on, rolling on, till you are free
