

## Rhythm Of The Rain

Johnny Rivers

Listen to the rhythm of the falling rain  
Telling me just what a fool I've been  
I wish that it would go and let me cry in vain  
And let me be alone again

The only girl I care about has gone away  
Looking for a brand new start  
But little does she know  
That when she left that day  
Along with her she took my heart

Rain please tell me now does that seem fair  
For her to steal my heart away when she don't care  
I can't love another when my hearts somewhere far away

The only girl I care about has gone away  
Looking for a brand new start  
But little does she know that when she left that day  
Along with her she took my heart

Rain won't you tell her that I love her so  
Please ask the sun to set her heart aglow  
Rain in her heart and let the love we knew start to grow

Listen to the rhythm of the falling rain  
Telling me just what a fool I've been  
I wish that it would go and let me cry in vain  
And let me be alone again

Oh, listen to the falling rain  
Pitter pater, pitter pater  
Oh, oh, oh, listen to the falling rain  
Pitter pater, pitter pater
