Softly As I Leave You

Johnny Rivers

Softly, I will leave you softly For my heart would break if you should wake and see me go So I leave you softly, long before you miss me

Long before your arms can make me stay For one more hour or one more day After all those years, I can't bear the tears to fall So, softly as I leave you there

So I leave you softly, long before you miss me Long before your arms can make me stay For one more hour or one more day After all those years, I can't bear the tears to fall So, softly as I leave you there As I leave you there As I leave you there
