

# Stop! In The Name Of Love

Johnny Rivers

Stop! in the name of love  
Before you break my heart

Baby, baby  
Im aware of where you go  
Each time you leave my door  
I watch you walk down the street  
Knowing your other love youll meet  
But this time before you run to her  
Leaving me alone and hurt  
(think it over) after Ive been good to you  
(think it over) after Ive been sweet to you

Stop! in the name of love  
Before you break my heart  
Stop! in the name of love  
Before you break my heart  
Think it over  
Think it over

Ive known of your  
Your secluded nights  
Ive even seen her  
Maybe once or twice  
But is her sweet expression  
Worth more than my love and affection  
But this time before you leave my arms

And rush of to her charms  
(think it over) havent I been good to you  
(think it over) havent I been sweet to you

Stop! in the name of love  
Before you break my heart  
Stop! in the name of love  
Before you break my heart  
Think it over  
Think it over

Ive tried so hard, hard to be patient  
Hoping youd stop this infatuation  
But each time you are together  
Im so afraid Ill be losing you forever

Stop! in the name of love  
Before you break my heart  
Stop! in the name of love  
Before you break my heart  
Stop! in the name of love  
Before you break my heart

Baby, think it over  
Think it over, baby  
Ooh, think it over baby...
