

Stop! In The Name Of Love

Johnny Rivers

Stop! in the name of love
Before you break my heart

Baby, baby
Im aware of where you go
Each time you leave my door
I watch you walk down the street
Knowing your other love youll meet
But this time before you run to her
Leaving me alone and hurt
(think it over) after Ive been good to you
(think it over) after Ive been sweet to you

Stop! in the name of love
Before you break my heart
Stop! in the name of love
Before you break my heart
Think it over
Think it over

Ive known of your
Your secluded nights
Ive even seen her
Maybe once or twice
But is her sweet expression
Worth more than my love and affection
But this time before you leave my arms

And rush of to her charms
(think it over) havent I been good to you
(think it over) havent I been sweet to you

Stop! in the name of love
Before you break my heart
Stop! in the name of love
Before you break my heart
Think it over
Think it over

Ive tried so hard, hard to be patient
Hoping youd stop this infatuation
But each time you are together
Im so afraid Ill be losing you forever

Stop! in the name of love
Before you break my heart
Stop! in the name of love
Before you break my heart
Stop! in the name of love
Before you break my heart

Baby, think it over
Think it over, baby
Ooh, think it over baby...
