

Strangers In The Night

Johnny Rivers

Strangers in the night exchanging glances,
Wond'ring in the night what were the chances
we'd be sharing love before the night was through.

Something in your eyes was so inviting,
Something in your smile was so exciting,
Something in my heart told me I must have you.

Strangers in the night two lonely people we were.
Strangers in the night up to the moment when we said our first
hello.
Little did we know love was just a glance away,
A warm embracing dance away and ever since that night we've been
together,
Lovers at first sight in love forever.
It turned out so right for strangers in the night
