

Pass Me By (If You're Only Passing Through)

Johnny Rodriguez

Would you look at what came down the road today
Wanting me to be one more mistake to make
A bridge to burn to get to some one new
Hey pass me by if your only passing through

You sure look like the traveling kind to me
Don't stop if this ain't where you want to be
Now I don't know what you think you run into
Hey pass me by if your only passing through

I'm not going to be a steeping stone
Among the other hearts that you walk on
Lord help me if I fall in love with you
Hey pass me by if your only passing through

Hey pass me by if your only passing through
