

Something

Johnny Rodriguez

Something in the way she moves
Attracts me like no other lover
Something in the way she woo's me
I don't want to leave her now

Lord, you know I believe in how

Somewhere in her smile, she knows
That I don't need no other lover
Something in her style that shows me
I don't want to leave her now
You know I believe in how

You're asking me will my love grow
I don't know, I don't know
You stick around now it may show
I don't know, I don't know

(Instrumental)

I don't want to leave her now
You know I believe in how

You're asking me will my love grow
I don't know, I don't know
Stick around now it may show
I don't know, I don't know

Something in the way she knows
And all I have to do is think of her
Something in the things she shows me.....fades
I don't want to leave her now
Lord, you know I believe in how
