

# That's The Way Love Goes

Johnny Rodriguez

I've been throwing horseshoes over my left shoulder  
I've spent most of my life searching for that four leaf clover  
Yet you run with me chasing my rainbow  
Honey I love you too that's the way love goes  
That's the way love goes babe back to music God made  
Over the whole wide world to sing it never gets old it only grows  
Losing makes me sorry you say, "Honey don't worry"  
Honey I love you too that's the way love goes  
Honey I love you too that's the way love goes
