

Great Big Kiss

Johnny Thunders

Great Big Kiss
Here comes my girl
Walkin down the street
Look how she walks
She gotta dancin beat
Big wavy hair
A little too long
All day long,
She's singin a song

And when I see her in the street
My heart takes a leap and skips a beat
Gonna walk roght up to her
Give her a great big kiss
Wham!

Tell her that I love her
Tell her that I care
Tell her I always be there

Hey, what color are her eyes?
I dunno, she always wears shades
Hey, Is she tall?
Well, I gotta look up
Yeah, well they tell me she's bad
She's good bad, but she's not evil

(Tell me more, tell me more)

Bought myself a sweater
Thought it match her eyes
Dirty fingernails
Oh boy, what a prize
Tight khaki pants
High button shoes
She's always lookin
Like she gots the blues(or born to lose)

And when I see her in the street
My heart takes a leap and skips a beat
Gonna walk roght up to her
Give her a great big kiss
Wham!

Tell her that I love her
Tell her that I care
Tell her I always be there
Tell her I always be there
Tell her I always be there
Oh, what the hell

Is she a good dancer?
Waddy mean, is she a good dancer?
Well, how does she dance?
Close, very very close

(Tell me more, tell me more)

Bought myself a sweater
Thought it match her eyes
Dirty fingernails
Oh boy, what a prize
Tight khaki pants
High button shoes
She's always lookin
Like she gots the blues(or born to lose)

And when I see her in the street
My heart takes a leap and skips a beat
Gonna walk roght up to her
Give her a great big kiss
Wham!

Tell her that I love her
Tell her that I care
Tell her I always be there

Tell her I always be there
Tell her I always be there
(Shout....whoahs....yeas....ooohs.... I gotta always
be there...)

Always and forever
